WHY CHOOSE ALL AMERICAN SCOREBOARDS?

We are proud to introduce our new 9000 series scoreboard product line, showcasing the latest in LED and electronic technology. Features include:

- Heavy-duty, dent-resistant, powder-coated 22-gauge galvaneal steel cabinet.
- Continuous mounting flanges for ease of installation on wall surfaces or existing beams.
- Optional shatterproof polycarbonate digit lens kits for complete impact protection (no screens or nets required).
- Fully encapsulated LED digits with locking connectors rated for underwater submersion.
- Ultra-bright LEDs with uniform coloration and intensity.
- Automatic or manual brightness controls for various lighting/sunlight conditions.
- 2.4GHz spread spectrum, interference-free wireless operation.
- Industry leading wireless control consoles with OLED displays (multi-sport desktop and single-sport hand-held remote). Both consoles can directly control single or multiple boards with no set channels.
- UL listed, and five-year limited warranty.

WHO WE ARE:

All American Scoreboards is located in Pardeeville, WI and is a product line of Everbrite, LLC, www.everbrite.com. Everbrite is a major manufacturer in the sign industry headquartered in Greenfield, WI with seven manufacturing facilities across the country, including a state-of-the-art innovation center and corporate accounts including ExxonMobil, McDonald's, and Taco Bell to name a few.

Our scoreboards utilize the same LED digit and wireless control technology as used in Everbrite signs which are required to run 24/7 through all ranges of outdoor temperatures and conditions.

Our customer base includes many collegiate and professional sports teams.

We have an experienced and knowledgeable nationwide dealer network

supplemented by an installation and service network comprised of approximately 150 certified independent subcontractors for any type of project or service need.

We offer a full-line of scoreboards, timers, scoring tables, EMCs (Electronic Message Centers), and LED video displays along with multiple add-on options including sponsor panels, decorative trusses, and illuminated channel letters and signage.
